Shipwrights Point Regatta Ground
Port Huon

APPLICATION FOR MEMBERSHIP

Welcome! We are delighted that you are considering joining the Huon Yacht Club.

In 1852, the first Huon Regatta was held at Shipwrights Point. The undoubted success of this regatta is well recorded, and over the years this regatta developed as the social event of the year. Up to 10,000 locals and visitors would enjoy the day's activities both on and off the water at the Shipwrights Point Regatta Ground. The high diving tower has gone and the rowing has moved to Franklin, but sailing and cruising is still very much part of the clubs weekly activities.

Several yacht clubs have existed at various times on the banks of the Huon River, but the present club was formed on 29th October 1947. A pick up boat was offered by a local resident, and racing started within a fortnight. Since then club members have enjoyed many successes sailing both at home and internationally.

The clubhouse was built by club members and was officially opened on 12th October 1957. The starter's box, located on the top of the clubhouse, is a unique feature of the building, providing a perfect view for the officials on race day.

The club has a strong future, and looks forward to continuing its tradition of racing, and cruising on the surrounding sheltered waterways. The club makes an ideal starting point from which to explore popular locations along the Huon River, D'Entrecasteaux Channel and as far afield as the wind will take you. Its also great starting point from which to circumnavigate Tasmania.

Membership of the Huon Yacht Club provides the opportunity to be a part of a historic but progressive club with a good program of sailing and cruising events. There is a smoothly operated slipway, a friendly bar, and an inviting social calendar. The Kermandie Marina, Kermandie Hotel, Sass Restaurant and Port Huon Cafe are close by.

For those who would like to cruise, race, or socialise and relax, the Huon Yacht Club promises the warmest of welcomes. Our aim is to make the Huon Yacht Club a community hub were people can get involved without having to own a boat. We look forward to seeing you at the Huon Yacht Club and encourage you to contact us with any questions which may not be answered through these pages.
